THIS comprehensive Publication is the largest Directory in the English Language, and contains the Names and Addresses of more Manufacturers, Merchants, Traders, Shippers, Brokers, Agents, Dealers, and others connected with English Trade and Commerce than any other Directory issued from the Press. It includes copious and authentic lists of the Professions, Trades, and Businesses of upwards of **Six Thousand** Cities, Towns, Villages, and Localities, in England and Wales, the Isle of Man, and the Channel Islands. Every Name considered of sufficient importance for a wholesale house to solicit custom from, being entered. The mass of information it embraces is **not otherwise obtainable without an expenditure of over £40** on Local and County Directories; and as many of these are issued at intervals of several years, their information cannot be so recent and reliable as that given in a work like the **ENGLISH DIRECTORY AND GAZETTEER**, which is kept standing in type (reducing errors to a minimum), and revised and printed annually, and issued to Subscribers at **£1, 10s.**—a price much less than is usually charged for the Directory of a single English County.

The **First Volume** of the Work consists of a **Trades' Directory** of **LONDON**, and about **Three Hundred** and **Twenty Suburban Districts**, giving authentic lists of the **Professions, Trades, and Businesses** of the **Metropolis**. It also contains a separate and exhaustive **Trades' Directory** for each of the principal **Provincial Cities** and **Towns**, arranged as under. (Also a **BANK DIRECTORY** of **England and Wales**.)

BIRMINGHAM	CARDIFF	LEEDS	NEWCASTLE	PORTSMOUTH	South Shields
Blackburn	Derby	LEICESTER	Northampton	Preston	Stockport
Bolton	Devonport	LIVERPOOL and	NORWICH	Reading	Sunderland
BRADFORD	Gateshead	Birkenhead	NOTTINGHAM	Rochdale	Swansea
BRIGHTON	Halifax	MANCHESTER and	Oldham	St Helens	Walsall
BRISTOL	Huddersfield	Salford	PLYMOUTH and	Southampton	Wolverhampton
Burnley	HULL	Middlesbrough	Stonehouse	SHEFFIELD	York

The **Second Volume** gives **Local Trades' Directories** for all **Towns** (excepting the above) and **Villages** of importance in **England**, grouped alphabetically under their various **Counties**, with the **Forty Counties** arranged in alphabetical order to facilitate reference; also all **Towns and Villages** of importance in **WALES**, grouped alphabetically under their various **Counties**, with the **Twelve Counties** arranged in alphabetical order. There is also the **ISLE OF MAN** and the **CHANNEL ISLANDS**, and a concise **Gazetteer of England and Wales**, giving the location, population, and other local statistics and historical references for the **Cities, Towns, Parishes, and Villages**, with **Postal, Telegraphic, Railway, and Shipping** information.

In the course of revising the Work, every **Town and Village** of importance in **England and Wales**, the **Isle of Man**, and the **Channel Islands** are visited annually by experienced Agents, solely employed by the Proprietors for the purpose of verifying, by personal application, every name appearing in the Directory. Thus every effort that can possibly be made by a large and efficient staff of compilers is put forth ungrudgingly, and regardless of trouble and expense, to bring the information up to date, and to ensure the correctness of the work.

Any alteration in the **Style of Firms**, or change of **Address**, should be communicated to the **Publishers**.

THIS well-known Directory contains exhaustive classified lists of the Manufacturers, Traders, Merchants, Agents, and Dealers in upwards of **Five Hundred** Irish Cities, Towns, and Villages, besides a comprehensive Gazetteer Section, giving the location, population, and other local statistics for the Cities, Towns, Villages, and Parishes, with Postal, Telegraphic, Railway, and Shipping Information. The usefulness of the work is enhanced by copious lists of Merchants and Traders in LIVERPOOL and GLASGOW,—the British Cities which have the most extensive trade with Ireland. The whole of the information is thoroughly revised every year by a staff of qualified compilers, solely employed on the Company's Publications, and the work thus brought up to date, and printed from type kept standing (reducing errors to a minimum), is unrivalled as the **Standard Directory of Ireland.**

PRESS OPINIONS.

Belfast Evening Telegraph

A new Edition of this excellent Directory has been issued, bringing the contents completely up to date. The success of former editions has warranted extensive additions and improvements, while a Gazetteer has been added, thus increasing the usefulness of the book as a work of reference. A further great improvement consists in the inclusion of sections devoted to the cities of Glasgow and Liverpool—the two trans-Channel centres most in touch with the Irish ports. This is an addition which will be widely appreciated.

Scotsman

Messrs William Macdonald & Co., Limited, Edinburgh, have sent out a comprehensive and carefully-compiled Trades Directory of the whole of Ireland. . . . well revised and more useful than ever to business men.

Glasgow Herald

. . . The new edition has been thoroughly revised and brought down to date. . . . A section is devoted to directories for Liverpool and Glasgow, the business relations of these cities being considered sufficient reason for this useful addition to a very valuable reference book.

Edinburgh Evening News

The extensive business relations between Scotland and Ireland justify a large circulation for this Directory, which is a model of careful arrangement. Sections are added, dealing with Liverpool and Glasgow firms, and those give a more general value to the Directory. The Gazetteer is a useful addition to the book.

Belfast Irish News

This well-known firm issued some time ago a handsomely-bound "Directory for Ireland" for 1897-98, which has had a great popularity. It is certainly one of the completest works of its kind ever published, and advertisers in all parts of Ireland and across Channel will find a study of it of the greatest advantage for business purposes. It is clearly printed and splendidly bound.

Dundee Advertiser

. . . A practical and carefully-compiled Trades Directory for the whole of Ireland. . . . The work has been thoroughly revised since last issue, and additional sections giving directories of Liverpool and Glasgow are now included in the volume. The book will be of great service to all trading with merchants in Ireland.

Glasgow Citizen

The whole volume has been enlarged, improved, and brought thoroughly up to date, and, as it at present stands, it is an invaluable compilation for all those business men who have connection with our sister island

Northern Whig

. . . The book is calculated to be very valuable for reference to merchants and manufacturers. Sections devoted to Liverpool and Glasgow will be particularly useful, as the trade relations of Ireland with these ports are so intimate.

Liverpool Daily Mercury

This practical and exceedingly useful compilation covers the trades of the whole of Ireland. Its revision has been done with the greatest care, and it is likely to meet a continually-increasing number of subscribers.

Derry Journal

. . . It is a desirable work of reference in business centres, and will have considerable appreciation in that connection. The publishers have wisely included sections for Glasgow and Liverpool, and Irish traders will find this convenient. The compilation, on the whole, is very correct, and the arrangement and letterpress are good.

Irish Times

In the "Irish Directory" merchants and traders will find all the special information for which they have hitherto looked in vain. The book contains the most exhaustive alphabetical and classified lists of the principal merchants, traders, &c., in Irish business towns.

Freeman

Seldom has a work deserved its title better than that which we have now before us; it is, indeed, in the fullest sense, a complete and perfect "Business Directory of Ireland," comprising within its pages compendious alphabetical and classified lists of all the principal manufacturers, merchants, shippers, and traders in all the chief cities, towns, and trade centres. The work reflects much credit on the care, industry, and patience employed by its compilers.

Morning Mail

We have nothing but praise for the arrangement of the compilation and the excellent taste with which the volume is brought out. We believe that such a work is one that must appeal strongly to the business public of the whole Kingdom, or that part of it having commercial dealings with Ireland.

P R E F A C E.

IN presenting to the public another Edition of our SCOTTISH DIRECTORY AND GAZETTEER we have again to tender sincere thanks to our numerous Subscribers and Friends for the steadily increased patronage which, from year to year, has been accorded to this work. Our expectation that a practical and carefully-compiled 'Trades' Directory for the whole of Scotland, issued at a moderate price, would secure the appreciation of the public is being more than justified year by year.

Since the last edition was issued, the Directory has undergone a complete and thorough revision, and it is confidently hoped that mistakes are both few and unimportant, as neither care nor expense have been spared to have the information as recent and reliable as possible. For errors of omission, or inaccuracy, which may crop up, however, we must plead the indulgence of our patrons in view of the comprehensive nature of the work.

In the process of compilation and bringing up to date of the present edition of the Directory, very many names have been added to its lists, our agents having visited every City, Town, and Village in Scotland to verify, by personal application, every name it contains. Some idea may thus be formed of the labour and cost of collecting and arranging the information, and we trust we have succeeded in some measure in producing a reliable BOOK OF REFERENCE, which will be the means of bringing Traders into closer relationship throughout the country.

By the adoption of the most approved type-setting machinery, and other special plant, we are enabled to keep the type standing—thus lessening the cost of production, reducing typographical errors to a minimum, and securing the general accuracy of the work—and to issue our Directory at less than half the price usually charged for similar publications. The price to British Subscribers remains 12s. 6d. as hitherto; Colonial and Foreign Subscribers are charged 5s. extra to cover additional cost of carriage, etc.

THE COUNTY DIRECTORY.

A County Supplement is now issued, and can be had bound together with the "SCOTTISH DIRECTORY AND GAZETTEER." This Supplement forms an exhaustive Directory of the Nobility, County and Professional Gentlemen, and Farmers, throughout Scotland, and is issued at the price of 7s. 6d. extra; or may be had bound separately, price 10s. 6d.

In offering our best thanks to all those who favoured us, directly or through our representatives, with information, we wish to state that any suggestion likely to increase the usefulness of the work will have our respectful consideration. It will be our earnest and constant endeavour in future editions, by accuracy of detail, completeness of information, and the introduction of new features, to merit the continued confidence of the public.

PATENT OFFICE,

Designs and Trade Marks Registry.

W. R. M. THOMSON & CO.,

Patent Agents and Consulting Engineers,

96 BUCHANAN ST., GLASGOW,

WHO have had over **THIRTY YEARS'** PROFESSIONAL EXPERIENCE, continue to obtain **BRITISH and FOREIGN PATENTS** for **INVENTIONS**, and register **DESIGNS** and **TRADE MARKS** at **Lowest Charges**.

Under the "Patents, Designs, and Trade Marks' Acts, 1883 and 1885," which are now in operation, Inventions may be provisionally protected at a nominal fee, and ample time is given for experimentally testing and perfecting improvements before Complete Specifications and Drawings have to be filed. Inventors are therefore recommended to secure Provisional Protection before undertaking costly trials.

Full information regarding cost and procedure on application for Patents will be found in the "INVENTOR'S GUIDE," which may be had *gratis*.
